

Besant Theosophical H.S. School (BTS)

Annual Report - 2020-2021

Besant Theosophical Higher Secondary School, known as BTS was established by the Indian section of the Theosophical Society in 1939 as Theosophical Boys School. In 1954 it was changed into BTS. In 1955 a separate constitutional body of Indian section was registered as Besant Educational Fellowship. The control of school was handed over to Besant Education Fellowship.

Since 1955 BTS is functioning under the control of BEF. The school is popular for its rich heritage in all the areas including education. Many distinguished persons who secured higher positions in their life are the alumni of this institution. It is a Boys school which runs from classes 6th to 10th under grant in aid by Madhyamik Shiksha Parishad, Uttar Pradesh, Prayagraj in April 1971.

Last year 2020-2021 the total number of students was about 500. At Present total number of teachers including principal are 14 and other staff 7. The School is flourishing and running under the able guidance of Dr. Anju Rai, who is presently the Principal and Shri SL Dar, Manager of the institution.

Many National, State And District level Competitions And Presentations were organised by Govt. Of India And Govt. Of Uttar Pradesh in which many students and teachers participated to understand their level and talents.

Some of them are as follows-

- As the Session 2020-2021 was full of challenges and opportunities for all of us due to the pandemic situation; many new ideas and innovations of teaching and learning came into effect. Online virtual classes were conducted by the school through zoom app and whastapp group. This was a new experience for all the teachers of the school and also the students but all of them participated with their full strength in it to make online classes a successful one.
- Many National and District level Competitions like slogan writing, poem writing, and essay writing were conducted and many students participated in it actively.
- Teachers, students and the school staffs downloaded the **Arogya Setu and Ayush Kavach app launched by the Government of India and Uttar Pradesh** and were also give various important lessons related to Covid 19 and its precautions.
- Many School welfare works like interlocking bricks were laid, Attached Washroom was built in the principal's room etc. for the beautification of the institution were also done by the school with the support of B.E.F. **In future also the institution hopes that many welfare works with the support and guidance of B.E.F. would also be conducted.**
- Trees were also planted on large scale within the boundaries of the institution on the occasion of World Environment Day.
- On the occasion of **International Yoga Day,21 June 2020**; the teachers and all the staffs of the institution performed various activities related to yoga for their good physical, mental and spiritual health.
- Various Competition were organised on the topic "**Communicable diseases and their cure**" in which students gave their active participation.

- Many other competitions like poster, slogan, online quiz on Sadak Suraksha etc were organised in which many students took part actively.
- **“75th Azadi Ka Amrit Mahotsava”** Started by Government of India was celebrated, and is being celebrated in present also, as directed by the government.
- School’s annual magazine **“ANAND”** was inaugurated and distributed to students and various other officials of Education Department of Varanasi.
- Students were registered in Fit India Program and various other student enrichment programmes.
- School Bags, Books, Conversion Cost, and grains were also distributed to the students under MDM scheme.
- Under **“Sadak Suraksha Jeevan Raksha”** essay competition a student secured third position and was awarded Rs.2000+certificate for his active participation.

The school has always encouraged the students to take part in aforementioned activities and aims to provide best education to the students till High School level, mastering them in different activities and helping them to realise their talents, aims, and dreams by providing quality and world level education and co-curricular activities so that their overall development takes place.
